

Public Works Director: David Wortman
Phone: 235-5460

Main Office
208 N. 19TH Street
Mattoon, IL 61938

In 2002 the City of Mattoon reorganized by uniting the Street Department, Sewer Department, Water Department, Parks Department, and Cemetery Department under one new department. This new department is the Public Works Department.

This change was designed to encourage greater cooperation between city functions and to increase productivity by combining workforces.
